

Greetings from the Kitchen!!

The week of Oct 12th, 2026 is National School Lunch Week. Yay!!

During this week, I will be offering some carnival and fair favorites per the kids' suggestions! Please encourage students to participate and give school lunch a try!! School lunch at Blessed Sacrament is really great!!

Similar to last year, I will be keeping track of numbers all week and the 2 homerooms with the highest average percentage of participation for the week will get a special treat (last year the winning homerooms got ice cream sundaes).

There will also be DAILY prizes!!! Lunch trays in each lunch period will be marked and the lucky students who get the trays can choose a prize (Out of Dress Code coupon or a treat).

Looking forward to a great week!!!
