## Aquinas Launches Alumni Directory Project

The Aquinas Development & Alumni Relations Office is teaming up with Publishing Concepts Inc. (PCI) to produce an updated Alumni Directory for Aquinas High School. This official school based campaign begins December 27, 2019.

Each year, the Alumni Office works with some Blugold class representatives and has received a limited number of alumni updates. By working with PCI, we hope to extend our reach and reconnect with a large portion of the Aquinas Family around the world.

Up-to-date alumni information is critical to the mission of the Aquinas High School. We strive to keep alumni connected to their school, classmates, preserve the history of our schools, and serve as a resource for individual class reunion activities. The last published Alumni Directory was more than 5 years ago. It is time for a refresh. In order to complete this project with as much accuracy as possible, PCI will be contacting alumni on our behalf, asking them to update their information.

Alumni will be receiving postcards and emails. These are valid! Please call the number listed instead of the Development & Alumni Office. PCI has a robust staff who is ready to update your information at no cost to Aquinas. When PCI contacts you, you are under no obligation to purchase anything. Anything you do decide to purchase does not benefit Aquinas High School or the Aquinas Foundation in any way.

We ask that you please update the information you are comfortable with so we may strengthen our connection with the over 10,000 Blugold alumni for reunions, alumni events, and updates about your alma mater.

If you have any questions, please contact Brad Reinhart at the Development & Alumni Relations Office by phone at 608-784-0707 or through email at [brad.reinhart@aquinasschools.org](mailto:brad.reinhart@aquinasschools.org).

## Blugolds Backing Blugolds Support the Aquinas Fund Annual Campaign

See what is possible 'Because of you...'

Everyone has the ability to make a meaningful impact for the current students and staff at Aquinas. Whether you make an annual donation, or make manageable monthly gifts, you can help make the Aquinas experience special for today's Blugolds.

To date, the Aquinas Family has contributed more than \$75,000 to the Aquinas Fund. With your help we can ensure that the Aquinas experience is stronger than ever for today's students and reach our goal of \$165,000 before June 30th.
