Thanksgiving holiday!

Scholastic Book Fair

As you will see from the enclosed flyers, the Book Fair will be running November 7th–11th with it being open on November 10th for conferences. You may wonder why this is different from previous years and the reason is that we set the Book Fair dates six months ahead. Our calendar previously had our first night of conferences on November 8th; however, due to that being election night we needed to move the conference night to the next Tuesday. If Scholastic has not picked up the Book Fair items by November 15th, we will be happy to leave the Book Fair open on that conference night, too.
