## School Counseling News!

November 3, 2020

As part of the **Diocese of La Crosse Safe Environment Training program**

5K-2 students will be learning about age appropriate personal body-safety rules.

Beginning next week during our classroom guidance lessons, students will learn about different ways to avoid unsafe situations. They will also learn how to identify trusted adults that they can go to if they ever feel uncomfortable or if they are ever in danger of being harmed.
