**\*Tournament Teams** - Tournament teams will participate in active league games that are played in the Seven Rivers Athletic Association upper division. These games will be played on various nights (1 night or 2 nights) each week. These games will be played in conjunction with other cities/private clubs that are also members of the league. Tournament teams will also play tournaments on weekends. Tournament teams will require travel on both weeknights and weekends. There will be extra fee's associated with being on a tournament team. **Teams will be evaluated at a later date if needed. More information will follow on times and locations.**

**\*\*League Teams** - League Teams will participate in active league games that are played in the Seven Rivers Athletic Association lower division. These games will be played on various nights (1 night or 2 nights) each week. These games will be played in conjunction with other cities/private clubs that are also members of the league. This will require some travel during the weeknights throughout the Coulee Region.
