It appears spring has finally sprung! Please continue to watch the weather forecasts as the temperature fluctuates. Shorts and skirts without leggings are permitted in the fourth quarter. However per our dress code policy, skirts should be "No more than 3" above the knee." With growing children, I know this can get away from us but I ask that you adhere to the policy. We are excited to be planning all of our fun events as we look towards finishing out the school year. Please keep watching for field trip forms and upcoming events on the website, newsletters and calendar!

Peace in Christ,

Tara Key

Principal, Cathedral Elementary School
