## The Winter Challenge is On!

We ask that parents continue to encourage children to practice independence in putting on their winter clothes over break. Your child has been working hard at school with their fine motor skills zipping coats, applying mittens and fastening buttons. We hope to continue these skills as we head into winter so we can maximize our time outside.

Looking for volunteers to help students put skates on and take off during our roller skating unit in January. Please see our website for to sign up.
