The Winter Challenge is On!

We ask that parents continue to encourage children to practice independence in putting on their winter clothes over break. Your child has been working hard at school with their fine motor skills zipping coats, applying mittens and fastening buttons. We hope to continue these skills as we head into winter so we can maximize our time outside.

Looking for volunteers to help students put skates on and take off during our roller skating unit in January. Please see our website for to sign up.

The January lunch menu, snack calendar 5K-2nd, and January calendar will be coming home in **family folders on Tuesday, December 19th**. We will also post it to our webpage.

The Lunch Helper Volunteer Sign Up is on our webpage for January. We very much appreciate seeing parents and grandparents!

Please be on the watch as we will be sending out information over the next few weeks about Procure which is the new way parents will be paying for 3P & 4K Extended Care and After Care.
