Meet the Principal

I am excited to join the amazing team at Cathedral and thankful to have the opportunity to work with your children to grow as caring, kind Catholic students! I look forward to continuing the strong positive, loving environment that defines Cathedral Elementary.

Outside of school, I have a husband and three daughters who attend Blessed Sacrament and Aquinas Middle. We are active in sports and spend most of our free time coaching or cheering on our daughters. We also enjoy spending time doing anything else outdoors!

Prior to Cathedral, I was the Dean of Students/Activities Director at Longfellow Middle School. I also taught special education for 20 years. I earned my Bachelor's Degree in elementary education/middle level education from UWL. I continued my education at UW-Madison to earn my Master's Degree in Educational Leadership and Policy Analysis. I also added on my Pupil Services license through Viterbo University.

Please feel free to contact me with any questions, concerns, or celebrations!

Criteria for Placement of Students in Classrooms

- The need to balance, as nearly as possible, the number of students in each classroom.
- The need to balance, as nearly as possible, the number of boys and girls in each classroom.
- The need to balance a variety of student abilities.
- The distribution of students with special needs between classrooms in order to maximize instruction time.
