Blessed Sacrament School is a Catholic School in the Diocese of La Crosse. As a Catholic School we will teach and advocate our Catholic Faith. All students are welcome in our school, and all parents and legal guardians must understand that Catholic Doctrine will be taught. The passing on of our Catholic Faith is our number one priority.

AQUINAS CATHOLIC SCHOOLS - A partnership of Parishes, Families, and Educators

In seeking to enroll your child in Aquinas Catholic Schools, you are entering into a long-enduring partnership of parishes and pastors; of parents and children; of teachers, administrators and staff. As is true with most partnerships, this relationship includes hopes and expectations on the part of all involved, and it includes a declaration of commitment. By enrolling your child, you are indicating your commitment to the various components of this partnership.

Hopes & Expectations: The Parishes

Parishes are the central component of Catholic communal life and they are central to Aquinas Catholic Schools (ACS) as well. Those associated with our shared system of Catholic education are grateful for the generous support of our parishes. Parishes of the La Crosse Deanery contribute significantly to the system's annual budget. In addition, parishes with schools on their property fund ongoing maintenance and improvement of those facilities. Catholic schools are a fundamental aspect of Catholic life and the parishes which support ACS are proud to fulfill this important dimension of their mission to proclaim the gospel of Jesus Christ and to help young people grow in faith and in knowledge.

Hopes & Expectations: Parents & Children

The financial support of our parishes makes it possible for ACS to offer a significantly reduced tuition rate to children from area parishes. In exchange for this generous support, it is understandable that our parishes would have expectations of those parents and children who are enrolled in our schools and share in this partnership.

• **Parish Membership and Expectations:** Formal parish membership is a fundamental expectation. The expectations of parish membership are the same for ACS families as for all parishioners:

- Participation at Mass on Sunday (or Saturday night). Giving God thanks and praise at Mass is fundamental to Catholic life and it is an essential element of our children's growth in living and celebrating their Christian faith. The significance of all children and parents attending Mass each Lord's Day cannot be overstated.
- Involvement in Parish Life. A parish is vibrant only if all members participate in various ministries and volunteer opportunities. The commitment of ACS parents to these parish

ministries and programs not only benefits the parish but also provides an important witness to our children in connecting faith and service.

- **Financial Support.** The generous financial support of all parishioners is necessary for parish life. Some parishes might indicate how parishioners would determine a pledge of financial support each year. Regardless, it is necessary for every family to recognize the obvious financial need of their parish, to consider one's ability and responsibility to support the parish, and then to plan and support their parish financially.

The Commitment

This is a brief overview of our ACS partnership and the commitment we all make as part of this partnership to provide for strong and vibrant parishes and a solid foundation for Catholic education in order to enable our children to mature in faith, hope and love. If you have questions or concerns, please feel free to contact your pastor or the President of ACS, Ted Knutson at Ted.Knutson@aquinasschools.org.

Leadership – Inspiring achievement and stewardship

Dignity – Respecting God, self and others

Blessed Sacrament School is a member of Aquinas Catholic Schools, a unified school system in the La Crosse Deanery of the Diocese of La Crosse. Blessed Sacrament School is a Catholic Preschool and Elementary School offering a Catholic, faith-centered curriculum for our students. By integrating our Catholic faith with quality learning experiences, Blessed Sacrament School assists student with developing the skills for becoming responsible members of our school, faith, and civic communities.

The philosophy of Blessed Sacrament School is to provide a nurturing learning environment that promotes strong Christian values, love of God, respect for other, service to community, and prayer. We educate the whole child and support each student's growth spiritually, academically, emotionally, socially, and physically.

ACADEMIC INFORMATION

Homeroom classroom teachers provide instruction in religion, reading, language arts, mathematics, science, and social studies. Specialists provide instruction in physical education, health, international languages, music, art, library/media and technology. Instrumental music lessons are available for students: Strings - grades 4-6 and Band – grades 5-6.

A complete religion curriculum, grades pre-school through sixth, will be taught with pastoral support by a qualified Catholic instructor. Each day begins and ends with prayer. Our students attend weekly liturgies, receive the sacraments and live their faith daily. We encourage our students to grow in the knowledge of the gospel and in the realization that Jesus should be central to their lives. We challenge our students to put that knowledge into practice by living as Jesus did. Our students also learn about the importance of loving and serving others through service-learning activities and projects.

Non-Catholic students enrolled in a Catholic school are required to participate to the same extent in all school activities (both curricular and extra-curricular) and courses of study as Catholic students, provided such activity is permitted by Catholic Church law.

ADMISSION (Nondiscrimination – DSP 5101)

Blessed Sacrament School, Aquinas Catholic Schools, and the Diocese of La Crosse respect the dignity of each individual and, therefore, will not discriminate on the basis of race, nationality, or gender in regard to enrollment. Therefore, Blessed Sacrament School shall admit students of any gender, race, color, national or ethnic origin to all rights, privileges, programs, and activities made available by the school, except where religious tenets would cause

exemption. Furthermore, the creed of any student shall not bar admission unless this would hinder the unique religious philosophy of the school. The Diocese of La Crosse has the obligation to publicize its nondiscrimination policies.

When students enroll at Blessed Sacrament school, requests are made for the student's baptismal record, immunization record, and school records (if applicable). In accordance with the State of Wisconsin and La Crosse School District policies, a child must be the appropriate age on or before September 1 of the current school year to enter a specific grade (example; a child must be five years of age on or before September 1 for the current school year to enter Kindergarten.). All children must be toilet trained.

Aquinas Catholic Schools has Enrollment Priority Guidelines. New students will normally be accepted into specific ACS school buildings following the priority categories of the guidelines. Exception to the guidelines may be made at the discretion of the Aquinas Catholic Schools President. Once a child has been admitted into an ACS program (ex: day care, preschool, elementary, middle school, or high school) his/her continued enrollment in that program would not be jeopardized by class size, provided that his/her family remains in good financial standing.

AFTER SCHOOL CARE PROGRAM

Blessed Sacrament School families may have a need for "After School Care" for their child/children. Blessed Sacrament School provides after school care for our families in the After Care area from 3:00 to 5:30pm on school days only. The program provides a snack, allows time for study (work on homework), and provides organized activities/play for the students. After School Care program information and a registration forms are provided through the school office. Student fees for the program are provided to families at the beginning of the school year. Fees for this service may be paid weekly or monthly. Please complete and return the registration form(s) to the school office if you will need supervision for your child/children after school.

ANIMALS AT SCHOOL

Approval for bringing animals to school shall be obtained from the teacher/principal. Due to students' allergies, certain pets are not allowed in the school building. All city ordinances apply with regard to dogs on public property.

ASSESSMENTS / TESTING

Our students in each grade level 3rd through 6th participate in the STAR assessment which is given three times each school year in the area of Math and Reading. These assessments are used to guide and modify instruction for individual students.

Blessed Sacrament School fourth grade students take the Wisconsin Forward Exam in the spring. A report of testing results is sent home for each student when the results are received. Parents may request to meet with school staff to review and discuss their child's assessment results.

Blessed Sacrament School fifth grade students take part in the Diocese of La Crosse Religion Testing Program. A report of testing results is sent home for each student in grade 5 when they are received from the Diocese.

Classroom teachers, staff, and educators administer various assessments and tests throughout the school year to document student learning and understanding of grade level concepts and skills.

ATTENDANCE / ABSENCES / TARDIES

Blessed Sacrament School adheres to an official calendar prepared in accordance with the State of Wisconsin law, the Diocese of La Crosse Office of Catholic Schools, and Aquinas Catholic Schools.

Attendance every school day is of the utmost importance. A student must be in class to reach his/her potential. Each student is expected to be at school unless ill or with another valid excuse. When a student is going to be absent, the parent/guardian should call the school no later than 8:15 a.m. on the morning of an absence. If the school has not received a call prior to attendance being taken by the classroom teacher, a call will be made to the home to verify the absence. When a student is absent, the parent/guardian should provide in writing the reason for the absence. When the student returns to school, the student should report to the school office before returning to the classroom to pick up an absence slip. The absence slip should be given to the student's teacher upon returning to the classroom. Students absent from school due to illness for five or more days will need to provide the school office with a written medical notice from a doctor as to the nature of the extended absence.

Once students arrive at school, they are not to leave the school premises for any reason whatsoever without a note from home and the permission of the principal. Appropriate disciplinary action will be taken with any violation. Requests to be released from school for appointments or whatever other need should be made prior to a student's dismissal in writing and should be signed by a parent/guardian. Requests should be given to the classroom teacher or school office. Whenever possible, such appointments should be made outside of school time. Prolonged absences should be arranged with the principal well in advance of the absence (ex; family trips).

Students arriving late to school disrupt the classroom learning environment. Students are considered tardy if they are not in the classroom at the time set for beginning of the class day at 7:45 a.m. If students are tardy, they should report to the school office with a note explaining the reason for the tardiness. Parents may also call school with an explanation of the tardiness. (Note: Students arriving to school after 7:45 a.m. due to bus transportation will not be considered tardy.)

ATTENDANCE - EXTENDED/VACATIONS

It is important that students are in the classroom when school is in session. Each family is asked to take their vacations when school is not in session. Blessed Sacrament staff realizes that this is not always possible. If parents must take a student out of school for a vacation, we ask that you notify the school in writing in advance.

Parents should confer with their child's (children's) teacher(s) prior to their absence from school. At times during the school year and in certain grade levels it may be difficult for the classroom teacher(s) to provide school work for the student prior to the scheduled absence due to a vacation. **Therefore, please do not request that work be prepared ahead of time.** During the student's absence, a folder will be kept with all class information and assignments. Upon return to class, the student will be given the missed work. The time to complete this work will correspond to the number of days missed from the classroom. When an extended vacation occurs during the school year, a student's grades may suffer due to lack of classroom instruction. The school will not take responsibility for a student falling behind because of family vacations during the school year.

Discipline Policy / BEHAVIOR OF STUDENTS

Catholic Faith and Moral Standard

As a condition of initial and continued enrollment as a student in the diocesan schools, a student's conduct must be consistent with Catholic faith and morals. Conduct which is inconsistent with Catholic faith and morals, which is a threat to the health, safety, and welfare of other students and/or which causes scandal, impairs or threatens to impair the reputation of the Church or its schools, is grounds for disciplinary sanctions up to and including immediate expulsion. (DSP 5112)

Discipline / Code of Conduct

A student enrolled in an Aquinas Catholic School assumes the personal responsibility for his/her conduct. As a member of the school, the student is obliged to be considerate of other fellow students and be respectful to his/her teachers. Each student is asked to accept this opportunity and obligation to become an integral part of the school community wherein she/he exercises their convictions of

Christianity and love of neighbor are shown by fully respecting the rights and privileges of all other members of the community. The basic attitude of respect characterizes the actions of the student toward themselves, other students, teachers and clerical personnel, custodians, visiting adults, guests and school administrators.

The ACS student is expected to conduct him/herself according to Christian principles and civic behavior:

- To be honest in all dealings with fellow students, teachers and school personnel.
- To cooperate positively with fellow students, teachers and school personnel.
- To respect always the rights and the values of each individual person on the school premises or at school-sponsored events.
- To obtain permission from the proper authority to use any of the school facilities or materials.
- To comply promptly with the directions of school officials.

- To be responsible for the care of all materials loaned to the student for the course of studies. All non-consumable materials as well as desks and lockers are the property of the school.

Blessed Sacrament School, students are expected to exhibit excellent behavior when at school or any school sponsored activity. When setting expectations for behavior, students are provided examples of appropriate and inappropriate behaviors.

Discipline as administered at Blessed Sacrament School, in conjunction with the home, is designed to provide behavioral changes that will enable students to develop the self-discipline that is necessary to function successfully in an educational and social environment. The major objectives of discipline are to teach respect for the rights, dignity, and safety of all individuals, as well as respect for laws, regulations, and respect for public and property rights. Student's behavior that disrupts class work, involves disorder, or invades the rights of others will not be tolerated. Minor offenses will be handled by the classroom teacher. Repeated offenses of a more serious nature will be referred to the school principal. Various breaches of conduct, depending on the seriousness, can be placed in the following categories: 1) probation, 2) suspension, or 3) expulsion. The expulsion of a student from a Catholic school is a very serious matter and should be invoked only in extreme cases. Care should be taken that fundamental fairness is offered the student in the process of expulsion. All expulsions are to be approved by the Director of the Office of Catholic School for the Diocese of La Crosse.

Bullying

Blessed Sacrament School strives to provide a safe, secure and respectful learning environment for all students. Bullying has a harmful social, physical, psychological and academic impact on bullies, victims and bystanders. Blessed Sacrament School will consistently and vigorously address bullying to maintain the standards of a Christian community and ensure that there is no disruption to the learning environment and learning process.

Bullying is deliberate or intentional behavior using words or actions, intended to cause fear, intimidation or harm. Bullying may be repeated behavior and involves an imbalance of power. The behavior may be motivated by an actual or perceived distinguishing characteristic, such as, but not limited to: age; national origin; race; ethnicity; religion; gender; physical attributes; physical or mental ability or disability; and social, economic or family status.

Bullying behavior can be:

1. Physical (e.g. assault, hitting or punching, kicking, theft, threatening behavior)
2. Verbal (e.g. threatening or intimidating language, teasing or name-calling, racist remarks)
3. Indirect (e.g. spreading cruel rumors, intimidation through gestures, social exclusion and sending insulting messages or pictures by mobile phone or using the internet – also known as cyber bullying)

Bullying behavior is prohibited in all school buildings and grounds, vehicles and property owned, leased, or used by the school system, and at school-sponsored activities. The school system reserves the right to address bullying that occurs outside of these venues if it affects or is likely to affect the learning environment.

Any school staff member or individual who observes or become aware of acts of bullying shall address the bullying immediately. If bullying continues, staff members should report the actions to the guidance counselor or the principal. Students who are either a victim of bullying or are aware of bullying involving another student are encouraged to report the conduct to a staff member. Reports of bullying may be made verbally or in writing and may be made confidentially. All such reports will be taken seriously and will be investigated.

Blessed Sacrament School Positive Discipline/Reward System: Eagle Wings

Aquinas Catholic Schools offers an environment for the development of the whole child—spiritual, physical, intellectual, cultural, emotional, and social. This Student Code of Conduct at Blessed Sacrament School endeavors to assist the process of forming self-disciplined young people who exhibit behavior that reflects Christian faith and promotes the values of respect, responsibility, trust, honesty, and compassion for others. Acceptable student behavior demonstrates the following:

- Respect for self and self-control when dealing with others.
- Resolution of conflict without physical violence.
- Courtesy in speech and manner.
- Acceptance of responsibility for academic achievement and moral development.
- Adherence to school dress code.
- Exercise of proper safety habits and care of school property.
- Respectful participation in school liturgies, assemblies, and extra-curricular activities.

Behavior which disturbs the learning atmosphere, infringes upon the rights of others, or is not in concert with Christian teachings of morality and ethics, will result in consequences that may include parental notification, detention, exclusion from extra-curricular activities, in-school or out-of-school suspension, counseling, and/or dismissal from school. The principal retains the right to amend the Code of Conduct at any time.

"Eagle Wings" Incentive Program for behavior, exemplary work, and good deeds. Students earn "wings" two ways [a "wing" is a paper coupon]:

- 1) In a month, each student is given 10 wings on a chart that travels with the class through each period. If homework is incomplete or if there is a behavior situation, the teacher or staff member marks off one wing on the chart and initials it.
- 2) Students are given wings coupons by teachers and staff members for behavior, actions, and work that is above and beyond what is normally expected.

At the end of each month students may "purchase" different activities with their wings, such as an extra recess, an extra 15 min. gym activity, art activities, card games, bingo, an out of uniform coupon, etc. Most of these events happen on Eagle Spirit Days or on rainy day recesses.

When a student loses 5 wings off the chart in a month, they will serve 30 minutes after school with a classroom teacher the next Wednesday. If they lose a total of 10 chart wings, they will serve 45 minutes after school on the Wednesday that follows the loss and if all 15 wings are lost in the month, they will serve 60 minutes after school. If the loss of wings continues, then the student will lose fieldtrip privileges as well. If you have any questions about this, please feel free to contact the school, talk with your child's teacher, or see me at upcoming P-T Conferences.

BICYCLES

Bicycle racks are provided for the students near front entrance of the building. Bikes should be parked in the racks or neatly around them if the racks are full. **ALL BIKES SHOULD BE LOCKED.** The school is not responsible for any damage or theft of bicycles. No student may ride their bicycle on the playground areas because of possible injury to fellow students. When arriving at or departing from school, students are to walk their bicycles on the school property and watch closely for pedestrian and vehicle traffic. Students are strongly encouraged to wear bicycle helmets when riding a bicycle.

Bomb Threats

The health, safety and well-being of students are always primary concern of school staff. If a bomb threat is received by the school, procedures will be followed in order to keep the safety of the students foremost in mind. Student conveyance of bomb threats will constitute grounds for suspension and/or expulsion. (DSR 6126)

BUS TRANSPORTATION

Our students are serviced through the School District of La Crosse to and from school. Questions may be directed to GO RITEWAY at 608-881-6370.

Students are expected to be courteous and to follow the directions of the bus driver. Complaints that are received by the school will be directed to parents for their information and appropriate action will be taken by school administration working with the school district transportation personnel. Repeated problems may lead to suspension from using the bus service for a period of time. When school bus transportation is the direct cause of tardiness or absence of those students involved, the student will not be penalized.

Bus transportation to and/or from school events (ex; field trips, programs, etc.) will be provided by local bus transportation companies or Aquinas Catholic Schools (Aquinas bus). A student permission slip providing information, cost, and requiring a parent signature will be provided for school events including when bus transportation is required.

CALENDAR

A calendar for the upcoming school year is published in May of the current year and made available to all families. Additional copies are available in the school office at any time. A school calendar is to consist of at least 180 school days (875 hours of class instruction). Up to five of these days can be inclement weather and/or parent-teacher conference days. A minimum of 10 days for teacher in-service are to be included in the school calendar. Local public school calendars should be a guide to determine days that school is in session, but they are not to be considered the final determinant. (DSP 6101, DSR 6101)

CHANGE OF ADDRESS / TELEPHONE NUMBER

Parents or guardians must notify the school office immediately when you have a change of address, telephone numbers and/or emergency information. The school office should also be contacted when a family has a change in the person(s) permitted to pick up their child from school.

CLOSING OF SCHOOL (EMERGENCY)

Blessed Sacrament School will close when the following occur; Aquinas Catholic Schools close, School District of Onalaska Schools close, or the School District of La Crosse Schools close. Blessed Sacrament School office will follow instructions written on the "Early School Closing Information Form" completed by parents if school is in session and needs to be canceled early. Please do not phone the school as we need lines open during the days of early dismissal to contact families. Announcements concerning the closing of school will be carried on the local television and radio stations.

COMMUNICATION

Blessed Sacrament School staff believes that communication at all levels is very important. The school will make every effort to keep parents informed of activities and information with newsletters, calendars, and written correspondence concerning specific activities and events. Information will be sent home on a regular basis. Parents may also visit our school website(www.aquinascatholicsschools.org) to view school information. School information is sent home weekly in the Family Communication Folders for parents to review. Students in grades 3-6 each have an assignment book to use to record assignments and write down important classroom information. Blessed Sacrament School parents may also communicate with school staff by calling the school to leave a message and/or by using e-mail. A school directory will be published listing staff telephone extensions and e-mail addresses. School staff will immediately notify parents by telephone of any serious matters or if there are questions in regard to students. Parents are also encouraged to call the school if they have any questions concerning school matters (608-782-5564). **When a parent needs to contact the school about their child, they should first go to the child's classroom teacher.**

Parents should feel free to request a meeting with a teacher when questions arise. The principal should be contacted in the event the parent feels that there is a lack of communication between them and the classroom teacher. The ACS President is contacted only after these two avenues of communication are used. (see Diocesan Administrative Recourse)

CONFIDENTIALITY- Students

Rather than strict confidentiality in regard to student-school employee communications (verbal and written), the Diocese of La Crosse Catholic Schools (including Aquinas Catholic Schools and Blessed Sacrament School) operates under a “spirit of confidentiality”. This means that outside of the sacramental confidentiality between priest and penitent, strict confidentiality cannot be promised to the student if the information disclosed by the student includes, but is not limited to, one or more of the following:

1. Information that concerns violations of the law.
2. Matters involving the health and safety of the student or any person.
3. Serious moral issues.

4. Any other matter that raises serious enough concern in the mind of the employee that he or she believes it is important to share the information with the school administrator.

The school administration, after consultation with the Office of Catholic Schools, may choose to disclose the information to parents, legal authorities, medical personnel or other deemed necessary personnel.

ELEMENTARY DANCES AND PARTIES (DSP 5790)

Schools are not to sponsor mixed parties and dances for grade school students, when they are such as to promote premature dating, exclusive and particular boy-girl associations and the pairing off of couples. School activities which are well supervised and which are instructive in the social graces and productive of mature and wholesome relationships are encouraged.

DIRECTORY DATA

Directory data, as viewed by both state and federal law, is information contained in an education record of a student. This would not be considered harmful or an invasion of privacy if disclosed to someone else. Wisconsin State law (s. 118.125(1) (b)) defines directory data as those pupil records which include the pupil’s name, address, telephone listing, date and place of birth, major field of study, participation in officially recognized activities and sports, weight and height of members of athletic teams, dates of attendance, photographs, degrees and awards received and the name of the school most recently previously attended by the pupil.

When a school system compiles directory data about its students it is not obligated to include everything on the above list. The above section means that a school’s directory data may include all those items. The state has recently interpreted the law to mean that it is not permissible for a school to include information about the fact that a child is enrolled in a special education program or in special education of any kind.

ADMINISTRATIVE RECOURSE

Any grievance by a parent / guardian against the school or its employees shall be resolved through Diocesan Administrative Recourse. Diocesan Administrative Recourse shall constitute the exclusive method for resolving such disputes and parents are bound by its determination as final and binding upon them. No dispute shall be submitted to Diocesan Administrative Recourse unless, within 30 day of the occurrence giving rise to the dispute, the first step of the Diocesan Administrative Recourse is commenced by the parent/guardian.

(DSR 1391)

Administrative Recourse- Community and External Operations

Outline of the chain of authority to be followed in resolving disputes:

- 1. Teacher or school employee
- 2. Principal
- 3. President, Aquinas Catholic Schools
- 4. Dean, La Crosse Deanery
- 5. Diocese, Director of the Office of Catholic Schools
- 6. Bishop

Procedure in the Diocese of La Crosse:

When one of Christ's faithful judges himself or herself injured by the decision or action of a person exercising pastoral or administrative authority in the Diocese of La Crosse, he or she, first is to confront the person in question with the grievance and seek reconciliation with the person.

If the party who judges himself or herself injured is not able to achieve reconciliation by conversation with the authority involved, he or she may present the grievance to the pastor of the Church within thirty calendar days of the time of the alleged injury. The recourse is to be made in writing and is to state facts of the conflict and the reason or reasons why the party judges him or her injured. The response to the recourse also is to be made in writing and is to state the reasons for the response given.

If the grievance is against an authority in the parish, the appeal first is to be made to the pastor who is to seek to reconcile the two parties. At this level and at the successive levels, the pastor may seek the assistance of others, especially those respected for their ability to reconcile; but in the end the pastoral authority remains responsible for seeking the resolution of the conflict. No consultative body as such or members of consultative bodies, in virtue of their membership, should be given the pastoral responsibility of resolving such conflicts. The consultative body, e.g., the parish pastoral council, has responsibility for assisting the pastor in drawing up good policies for the pastoral activity of the parish and for assisting the pastor in clarifying policies in cases of conflict or interpretation. It does not, however, engage in the administration of the policies. The pastor is obliged to respond to the recourse within fifteen calendar days from the time he receives it. Once the pastor has given his response to the recourse, the conflict is considered reconciled, unless the pastor's response is appealed to the dean within fifteen days from the date the parties in conflict receive response.

If reconciliation is not achieved with the pastor's help or the grievance is against the pastor himself, the appeal is to be made to the local dean who by office has special responsibility for promoting harmony of pastoral action and unity of Church life in his deanery. (cf. Can 555, 1, 10; 2, 20) If the grievance is against the pastor, and or the local dean, then the appeal is to be made to the dean of the closest neighboring deanery, with consent The dean is obligated to respond to the recourse within fifteen calendar days from the date he receives it.

If reconciliation is not achieved on the deanery level, or the grievance is against the dean in the exercise of his office of dean, then the appeal is to be made to the Diocesan Bishop directly. The Diocesan Bishop may carry out the work of reconciliation himself or he may name another to act for him in the matter. In the latter case, the Diocesan Bishop makes his own response to the person named. The Diocesan Bishop is obliged to respond to the recourse within fifteen calendar days from the date he receives it.

If the grievance is against the Diocesan Bishop, the legislation in the Code of Canon Law is to be followed. (cf. Canon 1732-1739)

It should be kept in mind that the Code of Canon Law requires a special procedure to be followed by the Diocesan Bishop in the case of the removal of a pastor (cf. Canon 1740-1747) or the transfer of a pastor unwilling to be transferred. (cf. Canon 1849-1752)

(DSR 1319)

All Civil Rights Complaints related to the National School Lunch Program and/or Breakfast program can be filed by using the Civil Rights Complaint form. All Civil Rights Complaints will be filed with the USDA within 3 days.

(USDA)

Penalty Status During Administrative Recourse Procedure

The penalty for a violation of a school or diocesan policy or regulation is to be enforced during the recourse procedure. However, a request can be made to the diocesan director of schools to speed up the recourse procedure. This request can be made by the school, employee, student or parent affected. The request can be granted or denied.

Sexual Harassment

Policy: All students of the Catholic schools of the Diocese of La Crosse are entitled to learn in an atmosphere free from sexual harassment.

1. Sexual harassment is defined as any unwelcome sexual advances, unwelcome physical contact of a sexual nature, or unwelcome verbal or physical contact of a sexual nature which includes, but is not limited to the deliberate, repeated making of unsolicited gestures or comments, or the deliberate, repeated display of offensive, sexually graphic materials which is not necessary for school purposes.
2. No student shall be subject to sexual harassment as a Catholic school student.
3. Any student or employee who engages in sexual harassment shall be subject to severe disciplinary measures. Any student who believes that he or she is being sexually harassed shall report immediately such information to the school principal. Any information reported shall be treated as confidential. All claims of sexual harassment shall be thoroughly investigated by the school principal after consultation with the Diocese Director of Catholic Schools.
4. No students shall receive any retaliation or disciplinary action for reports of sexual harassment, made in good faith.

Emergency Measures

The protection and safety of our students and staff are very important. For this reason, fire drills are done monthly. Exits to be taken are posted in each classroom. A tornado drill is scheduled in the spring. Internal and external lockdown measures are in place and reviewed with all staff and students.

Parents or guardians are asked to complete an EMERGENCY NOTIFICATION form in the beginning of the school year in the event of sickness, accidents, and other emergencies or an early dismissal due to bad weather, fire, bomb threats, etc.

DRUG AND ALCOHOL POLICY

All schools are required to develop and implement a policy of parent/guardian and student drug/alcohol abuse education. This education program is to be in place no later than January 14, 1998 and is to be reviewed annually. The D.A.R.E. program serves as the parent/guardian and students drug/alcohol abuse education program at Blessed Sacrament School.

EXTRACURRICULAR PROGRAMS

Extracurricular activities are a purposeful and vital part of a child's elementary school education. Objectives are concerned with the development of a positive self-image, creative expression, motor skills, and knowledge and understanding of human development and feelings. Realizing it is a privilege to represent the school in extracurricular events, the policies which are written to academic requirements and behavior standards must be followed. The directors of the specific extracurricular activities will acquaint each student with the requirements. Students are eligible to participate in extracurricular activities if they work up to their ability in all their classes and maintain good behavior.

Athletics

Blessed Sacrament School and Aquinas Catholic Schools provide the following athletic opportunities for our students in grades 5-6:

Fall	Volleyball	Girls grades 5-6
Spring	Track	Boys and Girls grades 5-6 (through P.E. classes)

Sixth graders may participate in select sports through Aquinas Middle School:

Fall	Girls Tennis
	Boys & Girls Cross Country
Winter	Wrestling (Boys and Girls)
Spring	Boys Tennis
	Boys and Girls Track

In addition, Blessed Sacrament School also encourages its students to be involved in the local community programs offered throughout the school year by civic organizations and associations.

Students (families) participating in school athletics will be assessed a nominal sports user fee.

Physicals are required for all 5th and 6th grade students who plan to participate in athletics. This is a requirement in all Aquinas Catholic Schools. These physicals are required every two years. An “Athletic Medical Form” must be completed by a physician and returned to the school office before a student’s eligibility to participate in the athletics is established. Copies of the “Athletic Medical Form” are available in the school office.

The purpose of the Aquinas Catholic Schools Elementary Athletic Program is to provide an opportunity for students to explore their potentials. Our program emphasizes team spirit and mutual consideration for one another. The program will enhance each student’s self-esteem, teach fair play, and develop skills. Furthermore, our athletic program is a cooperative effort involving students, parents, coaches, and other staff.

Blessed Sacrament School staff believes the extracurricular activities are a contributing and worthwhile part of the total school program. Participation in extracurricular activities is a privilege that carries with it responsibilities. Students, teachers, coaches, administrators and parents share the responsibility of compliance and enforcement. In order to be eligible to participate in sports, all students must work up to their ability in all of their classes and maintain good behavior.

Blessed Sacrament School Eligibility policy is “A student must maintain a 1.5 GPA, with no U’s in any discipline to participate in any co-curricular activity.”

A letter is sent to the parents of any student who becomes ineligible to participate in any co-curricular activity. The period of ineligibility is a 8 school days. The student is allowed to participate in practices but is suspended from competition. The student will have his/her progress reviewed after the 8-school day period to determine the depth of her progress. If at the time of the review, the student has satisfactorily improved his/her grades to conform to the above policy, he/she will be allowed to fully participate in the co-curricular activity.

If the student has not met the required improvement standards, he/she will be ineligible until the next academic progress report(s) are issued to students. It is extremely important that time and effort is put forth to improve the student’s academic performance.

Instrumental Music

Instrumental band lessons are available in preparation for participation in middle and high school bands. Individual lessons and group lessons are given once each week to 5th and 6th grade students during the school day. Students participate in school concerts and programs. All students in 5th and 6th grade instrumental music are encouraged to participate in the ACS Elementary Band program.

Instrumental string lessons are available in preparation for participation in the middle and high school orchestras. Individual and group lessons are given once each week to 4th - 6th grade students during the school day. Students participate in school concerts and programs. All students in 4th - 6th grade instrumental music are encouraged to participate in the ACS Elementary Orchestra (String) program.

Blessed Sacrament School students also are encouraged to participate in numerous enrichment learning opportunities, service-learning experiences, parish youth group, mass serving, and student organizations.

FIELD TRIPS

Blessed Sacrament School teachers and staff look forward to providing learning experiences outside of the classroom on field trips for each grade level. Parents are required to complete and sign the Diocese of La Crosse Comprehensive Child Consent and Release Form at the beginning of each school year. In addition, parents are required to complete and sign the Diocese of La Crosse Supplemental Child Consent and Release Form for each specific trip. Information about the trip will be provided on this form. The completion of these forms will allow the student to participate on the field trip experience.

HEALTH

It is the policy of the Diocese of La Crosse, and Blessed Sacrament School, pursuant to federal, state and local public agencies to establish and maintain appropriate health standards for the school environment, to promote the good health of students and staff, and to educate students and staff in disease prevention methods and sound health practices.

Blessed Sacrament School will work cooperatively with local, county and state agencies to enforce and adhere to the state or local health codes for retention, control, and containment of communicable diseases in our school so long as there is not a conflict with religious belief and/or practices.

Students suffering communicable disease, including HIV positive and AIDS related conditions shall be excluded from the traditional school setting only under the following conditions.

1. If exclusion is compelled by law, regulation or court decree and/or
2. If, after having exhausted all reasonable alternatives, the health risk to the ill student, to fellow students or to school employees outweighs the benefits of keeping the ill students in the traditional school setting.

Communicable diseases should be reported to the public health office by the parents. Parents should notify the school when a student has a communicable disease.

The Snellen vision test and the Audiometric hearing tests are given annually to the students of grades Third and Fifth as well as to any other student whom the teacher or parent may request to be screened. Parent/guardians are notified when a potential problem needing further medical evaluation is identified.

As each student enters Blessed Sacrament School, a record of immunizations is filed in the school office. (State Statute 140.05 (16).) Also, Wisconsin state law requires a complete record of immunization to be placed on file for each student from kindergarten through the twelfth grade. Parents of students who enter school incompletely immunized or have not signed a waiver will be notified by the school within 15 and 25 days of being admitted regarding the legal consequences of failing to meet the immunization requirements.

IMMUNIZATIONS

The Wisconsin immunization Law, s. 252.04 Wis Stats., is intended to protect students and children in day care centers from vaccine preventable diseases: measles, mumps, rubella, polio, diphtheria, tetanus, varicella and whooping cough. Often more dangerous than the diseases themselves are the damaging complications which can result in blindness, hearing loss or deafness, mental retardation or even death.

Our first concern is the health and welfare of our students. Parents / guardians will be notified by the school office if their child becomes sick during the school day. If necessary, parents/guardians will be requested to come to school and pick up their child.

Parents are requested to inform the school office of any medical condition their child has that is being treated by a physician.

Parents will be called for the following health-related reasons;

- Suspected contagious diseases and/or confirmed contagious diseases.
- Skin eruptions or suspicious rash.
- Vomiting/diarrhea.
- Elevated temperature; Above 101.4 families will be asked to pick up their child
- Other health-related reasons in which the school is unable to provide appropriate and/or long care treatment.

No child will be allowed to remain in school during recess or be excused from physical education without a written statement from a doctor with the time limit specified in cases involving more than three consecutive days or a recurring condition.

An accident report will be filled out for all serious injuries occurring during school hours. Parents will be notified of any serious injuries through the school office. In case of any head injury, the parents will also be notified by the school office staff. Student insurance for accidents, etc., is the responsibility of the parents/guardian. There is no

insurance that the school has that covers accidents on playgrounds unless negligence is proven. Many families who already have a health policy will find that the additional coverage is not necessary.

Under Wisconsin State Statutes, school personnel must report suspected child abuse and neglect. Suspect cases are reported to Child Protective Services of La Crosse County Human Services.

Head Lice Policy

1. Parents of students strongly suspected of having head lice will be contacted to check for head lice. Because head lice can be transmitted so easily, the County Health Department advises against checking all students.
2. If a student is found to have head lice the parent(s) will be contacted and the student sent home. The parent(s) may receive a written notification that the student has lice along with an informational sheet with suggestions for treatment. Students may return to school after treatment as long as there are no live lice. Nits may still be present for up to three weeks, so students must be checked daily at home for 21 days and may need a re-application after 7 days.
3. A note will be sent home to all parents in a class in which a student has been found to have head lice. Parents will be asked to check their child for head lice and be made aware of the fact that a case of head lice have been discovered.

MEDICATION

Parents/guardians are to notify the school if their child(children) must take medications during the school day. A "School Medication Procedure Form" is available in the office and must be filled out and returned to the office before the medication can be given at school. If it is prescription medication, the parent must fill out the student information section, sign the parent consent section, and have the physician complete and sign the bottom section of the form. The label on the bottle from the pharmacy is not sufficient to administer medication to students at school. Medications must come to school in their original container. If it is a non-prescription medication, the Medication Procedure Form must be filled out, excluding the information by the physician. These forms must be sent to school with each new or change in medication or prescription. For safety, all medications must be brought to the school office by the parent or guardian to be secured. Please remind your child to come to the office and take medications at times designated by the physician and/or parents. Students will not be allowed to take home any unused medication. At the end of the school year, parents will be required to pick up unused medications and supplies.

HOMEWORK

Research findings show that student achievement rises significantly when teachers regularly assign homework and students conscientiously do it. Extra studying helps children at all levels of ability. Homework boosts achievement because the total time spent studying influences how much is learned. Homework assignments not only supplement the classroom lesson, but also teach students to be independent learners. Homework gives students experience in following directions, making judgments and comparisons, raising additional questions for study, and developing responsibility and self-discipline.

Students should have a designated study area that is quiet, comfortable, well-lit and properly supplied. Students should have a daily homework time. Even if there are no written assignments due for the next day, the child can review chapters, write spelling words, make flash cards for vocabulary words, practice math facts, read, or write a letter to a friend or relative. Should parents feel that their students are spending too much time on homework, the classroom teacher should be contacted to discuss this.

Grades 3-6

All assigned work must be completed by the day, date, and time it is due. Exceptions will be allowed for those assignments which are late due to excused absences. Assignment notebooks are used by students to record assignments and information each day. Typically, the number of minutes a student should spend on homework is ten minutes per grade level. Please let your child's teacher know immediately if homework is taking longer than expected.

After-School Study (homework club)

Students in grades 5-6 will have the opportunity to attend after-school study Monday-Thursday to help with homework. This will be supervised by a teacher. Students attending after-school study will report to the designated room after the bell rings. Mrs. Moll will provide the students with a snack and then from 3:05-4:00 students will work on homework. The teachers supervising are there to help answer any questions. This is not a time for socializing. If students are to attend aftercare once they have finished with after-school study, please communicate that with the office. NOTE: We do not anticipate this starting until October 1 due to staffing.

INSURANCE

It is the responsibility of the student to inform the faculty member in charge of any injury occurring on school grounds or during a school-related activity. The faculty member will file an accident report with the Main Office. The school does not provide any health or accident insurance for injuries incurred by your child at school.

INTERNET USE

The use of telecommunication networks, including the Internet, is a privilege not a right, and users should take personal responsibility for their behavior while online. The school reserves the right to review any materials (e-mail, files, other correspondences and documents) sent and/or received via the Internet for their appropriateness in the light of legal, ethical, and Christian standards. It is expected that Blessed Sacrament School students will conduct their Internet activities under the specific guidelines outlined in the Blessed Sacrament School Student Internet Use Agreement. This Agreement should be reviewed and signed by the student and parent/guardian, and returned to the school. (See Blessed Sacrament School Student Internet Use Agreement on our website).

It is expected that Blessed Sacrament School students will conduct their Internet activities under the following guidelines:

Blessed Sacrament School students are responsible for . . .

1. Using the Internet in a way consistent with Catholic teaching, doctrine, morality and values, consistent with school / classroom educational goals, and utilizing educationally suitable resources.
2. Avoiding the following prohibited activities:
 - Using the network for any illegal activity including plagiarism, violation of copyright law or other laws.
 - Using the network in ways which violate school procedures and behavior standards.
 - Using the network for personal financial or commercial gain.
 - Degrading or disrupting equipment or system performance.
 - Invading the privacy of other individuals by accessing and/or vandalizing their computerized data.
 - Wasting technology resources including file space and printers.
 - Gaining unauthorized access to resources entitled (hacking).
 - Using an account owned by another user.
 - Using the network to transmit information about the school or school-governed facilities. This includes, but is not limited to: school personnel names and addresses.
3. Following accepted “netiquette” practice in communications:
 - General school rules for behavior and communication apply as they do in the classroom and in the school.
 - Be polite – that which is harmful, vulgar, or profane is not permissible. School rules regarding harassment also apply to electronic communication.
 - Maintain privacy and personal safety. Do not reveal your personal address or telephone numbers or the address or telephone numbers of others to unknown Internet users. Be aware that electronic communication is not guaranteed to be private.
 - Violating these guidelines will result in loss of access to the Internet and will be considered a violation of the general school discipline code and therefore subject to school disciplinary action.

LOST AND FOUND

Students in our school misplace many articles of clothing and personal belongings. A Lost and Found Container will be used to place these items in when they are found. If your child has lost something, please have him/her check the Lost and Found Container. **Please label your child’s gym shoes, outdoor clothing, backpacks, ACS Sweatshirts,**

Blessed Sacrament School Spirit Shirts, etc. By clearly marking your child's items, they can be returned to him/her when they are found. Lost and Found will be available in the lower lobby for after school pickup every day. On the last Thursday of each month Lost and Found items will be delivered to Goodwill.

LUNCH PROGRAM

Blessed Sacrament School is very fortunate to have an excellent lunch program for our elementary school students offering two lunch entrees each day. Every effort is made by a dedicated staff to provide a most nutritious and balanced meal for the minimal fee charged per meal.

The Blessed Sacrament School lunch program is an "optional" program for our students and families although all families are urged to participate. The cost for a student lunch is \$3.20 per day and adult or guest lunch \$3.95. A carton of milk is included with each lunch. Menus are subject to change without notice. Parents can deposit money into a family school lunch account at any time. A foodservice statement is sent home monthly.

Families may have their child/children bring a nutritious lunch from home. Lunches brought from home should include food items from the various food groups. Lunches should not include soda pop and/or candy. **Lunches from "fast food" restaurants / convenience stores should not be brought to school.** Milk is available for students who choose to bring their lunch from home at a price of \$0.40 per carton. (Please note: this milk is for lunch and not snack break.)

Families may apply for free or reduced prices for their child's (children's) lunch. Guidelines are published at the beginning of each school year. Forms are made available for all families at the beginning of the school year and if necessary, may be picked up in the main office during the school year. Applications submitted by families will be reviewed, and families will be notified whether or not they are eligible to receive free/reduced priced lunches. All applications will be treated confidentially.

Parents picking their child up at the end of the day are requested to wait until the dismissal bell has sounded to prevent any unnecessary interruptions and to permit a smooth closure to the students' day.

PARENT TEACHER CONFERENCES

Formal Parent-Teacher Conferences are scheduled during the school year at the end of the first quarter (October) and near the middle of third quarter (March). These conferences provide an opportunity for parents to share information about their child and for teachers to report on the development, progress, and achievement of each child. Additionally, parents and teachers work together to plan for the continued growth and success of the child during the school year. Students are encouraged to attend conferences when appropriate. Occasionally, concerns arise that a teacher, principal, or parents feel require immediate attention. If such a situation does arise, the teacher, principal, or parents should make the necessary arrangements to schedule a conference.

PUPIL SERVICES

If you have a child you suspect may have a learning disability of some kind, the School District of La Crosse in working with Blessed Sacrament School staff may provide assessment services. This service is free of charge to our families. Parents should consult with their child's teacher, the School Counselor, and/or the Principal to discuss a child's learning needs and make a request for assessment services.

Comprehensive testing is done by a team of professionals to determine if a special educational need does exist. Results of the testing are discussed with the parents and recommendations are made based on the need of the child. Participation in some special education programs may take place at Blessed Sacrament School while others must take place on site of the public school. All special needs testing and/or services will be under the direction of the school administrator and/or school guidance counselor.

RECESS

When the weather permits, all students are required to play outside at recess time. Weather permitting, students will have two outdoor recesses each day.

Decisions to have outside recess during cold weather depend upon the temperature and wind chill factor. Shorter outside recess times are scheduled on very cold days or cancelled by the school administrator. Students should always dress for outside recess. All students must be on the playground during outside recess. Exceptions will be made if a teacher requests a student to remain inside for a particular reason.

Students will be supervised during free time in the classroom, gym, and /or library when bad weather prevents outside recess.

REPORT CARDS

During the school year, report cards are issued four times to students in grades K-6 at the end of each quarter and two times to Preschool and Kindergarten 4 students at the end of each semester. If you and your child make plans which would alter their after-school transportation, please send a written note to the classroom teacher. Likewise, if you need to have an emergency message delivered to your child during the school day, call the office and leave the message. Except in emergency situations, the principal does not page students or allow students to be withdrawn from school activities in order to use the telephone.

This allows for the school and school system to assist the student and family with transitioning from Blessed Sacrament School to the new school and system.

TUITION

Paying for a Catholic education is a shared investment in your child's future. The true cost to educate each student averages \$8,700+ per year and tuition pays for only 42% of the total cost. Every student attending Aquinas Catholic Schools receives financial assistance for the remaining portion of actual costs through the generous contributions of supporting parishes (33%), and contributions from the Aquinas Catholic Schools Foundation and individual benefactors (25%).

USE OF SCHOOL BUILDING / GYM

The use of the school building and/or gym may be requested by members of parish and school groups. Scheduling for the use of the Blessed Sacrament School building and/or gym should be done through the Blessed Sacrament School Office and a building use form will need to be completed. Groups may be charged a deposit and fee for the use of the school and classrooms. Students/youth must be supervised by adults at all times. The school/gym must be left in good order with all lights turned off, all doors/windows closed and locked. The person(s) in charge of the activity is responsible for checking that all doors and the building are secured.

VOLUNTEERS

Volunteers are very important to our school community. In many cases, special events or programs could not take place without volunteers. Individuals interested in volunteering at Blessed Sacrament School are required to complete the Diocese of La Crosse Safe Environment Program, a Criminal background check, and a Confidential Volunteer Questionnaire. These items may be obtained through the school office, completed, and returned to the school office in a timely manner and must be in place before you may volunteer or visit. Completion of requirements of the Diocese

of La Crosse Safe Environment Program allows Blessed Sacrament School to provide a safe environment for our students, staff, and families. If you are interested in volunteering, please complete the Volunteer Information Sheet and send it to the school office. For safety reasons and to reduce distractions, we ask that no younger siblings be brought to school while volunteering.

**ON THE PROMULGATION OF THE REVISED CHILD SEXUAL ABUSE POLICY AND PROCEDURES
OF THE DIOCESE OF LA CROSSE**

Also known as the "Green Book"

To Christ's Faithful of the Diocese of La Crosse:

Dear brothers and sisters in Christ,

For over a year now, the Church in our nation has been suffering a most severe crisis regarding child sexual abuse by her clergy. In the Diocese of La Crosse, the Revised Sexual Misconduct Policy and Procedures, which I promulgated on October 18, 1997, have been faithfully followed in dealing with any allegation of sexual misconduct on the part of any agent of the Diocese. They have been applied with special attention to the care and protection of children who may have been the victims of sexual abuse.

In response to the present crisis, the United States Conference of Catholic Bishops, in June of 2002, promulgated the Charter for the Protection of Children and Young People to assist Diocesan Bishops in responding more effectively to the grievous crime of sexual abuse of a child by a priest or deacon. At the same time, the Bishops approved the Essential Norms for Diocesan/Eparchial Policies Dealing with Allegations of Sexual Abuse of Minors by Priests or Deacons, which required the review and approval of the Holy See. In accord with the requirements of the Charter, with the assistance of a special committee, I formulated and promulgated on August 6, 2002, the Child Sexual Abuse Policy and Procedures of the Diocese of La Crosse.

Once the Holy See had completed the review of the Charter and the Essential Norms, the United States Conference of Catholic Bishops approved the revised text of both documents at its meeting in November of 2002. On December 8, 2002, the Holy Father's Congregation for Bishops reviewed the Essential Norms for Diocesan/Eparchial Policies Dealing with Allegations of Sexual Abuse of Minors by Priests or Deacons, and the United States Conference of Bishops promulgated them on December 12, 2002, making them particular Church law for our nation.

Now that the revised Charter and the Essential Norms have been promulgated and published, I, once again with the help of a special committee, have prepared a revision of the policy and procedures which I promulgated on August 6, 2002. Today I am happy to promulgate and publish the Revised Child Sexual Abuse Policy and Procedures of the Diocese of La Crosse.

Cases of child sexual abuse by other Church personnel will continue to be handled according to the Revised Sexual Misconduct Policy and Procedures of the Diocese of La Crosse.

The special policy and procedures serve a number of important purposes. First of all, they convey clearly the message that sexual abuse of a child by a priest or deacon is a moral outrage; that it will not be tolerated or condoned in the Church, regardless of the status of the offender; and that the time and resources of Church authority are committed to a just and pastoral response to all involved.

The policy and procedures also provide a prompt, appropriate and compassionate response to reporters of sexual abuse of a child by a priest or deacon. At the same time, they respect the canonical and civil rights of all parties.

As is fitting in such cases, the policy and procedures provide the confidential means of gathering all relevant facts, which respect the privacy of the reporter and of the accused. They also offer, when appropriate, the means of making available competent and supportive professional resources to the accuser, the accused, the victim and the perpetrator.

Faithful to the Gospel and Church teaching, the policy and procedures foster and promote remediation, reconciliation, and forgiveness. They aim to restore trust among all in the Church.

Let us pray through the intercession of Saint Agatha, Virgin and Martyr, whose memory we celebrate today, that the implementation of this policy and these procedures will help to bring the healing of Christ to those who, as children, have suffered the deep and most injurious wound of sexual abuse by a priest or deacon. May the promulgation of the Revised Child Sexual Abuse Policy and Procedures be the occasion for all in the Church to make reparation for the crimes of sexual abuse perpetrated against children and to seek an ever greater holiness of life. Through our prayer and penance, may we all be instruments of healing and reconciliation for our brothers and sisters involved in acts of child sexual abuse.

Let us confide to the intercession of Our Lady of Guadalupe, Mother of America, and Saint Joseph the Workman, Patron of the Universal Church and of the Diocese of La Crosse, the just implementation of the Revised Child Sexual Abuse Policy and Procedures for the good of all in the Church.

I invoke God's blessing upon you and your home.

Given at La Crosse, this fifth day of February in the year of Our Lord 2003, the Memorial of Saint Agatha, Virgin and Martyr.

DECREE
**PROMULGATING THE REVISED CHILD SEXUAL ABUSE POLICY AND
PROCEDURES OF THE DIOCESE OF LA CROSSE**

The Diocese of La Crosse has been following the Revised Sexual Misconduct Policy and Procedures, promulgated on October 18, 1997, which have applied also to cases of allegation of sexual abuse of children by a priest or deacon.

At its General Meeting in June of 2002, the United States Conference of Catholic Bishops approved the Charter for the Protection of Children and Young People and the Essential Norms for Diocesan/Eparchial Policies Dealing with Allegations of Sexual Abuse of Minors by Priests or Deacons. The Charter for the Protection of Children and Young People required that the Diocese of La Crosse have a specific policy and procedures to be followed in cases of child sexual abuse by priests and deacons, in order to address more effectively the grievous crime involved in such cases. In accord with the mandate of the Charter, I, with the assistance of a special committee, prepared and promulgated on August 6, 2002, the Child Sexual Abuse Policy and Procedures of the Diocese of La Crosse.

At its General Meeting in November of 2002, the United States Conference of Catholic Bishops approved a revision of the Charter and the Essential Norms. On December 8, 2002, the Congregation for Bishops reviewed the Essential Norms for Diocesan/Eparchial Policies Dealing with Allegations of Sexual Abuse of Minors by Priests or Deacons, and the United States Conference of Bishops promulgated them on December 12, 2002, making them particular law for the Church in the United States of America.

Both the revised Charter for the Protection of Children and Young People and the Essential Norms for Diocesan/Eparchial Policies Dealing with Allegations of Sexual Abuse of Minors by Priests or Deacons required some revision of the Child Sexual Abuse Policy and Procedures of the Diocese of La Crosse. Therefore, once again with the assistance of a special committee, I have prepared a revision of the special policy and procedures to be employed in the Diocese of La Crosse in cases of allegation of child sexual abuse by a priest or deacon. Allegations of child sexual abuse by other personnel of the Church will continue to be handled according to the Revised Sexual Misconduct Policy and Procedures of the Diocese of La Crosse.

I hereby promulgate the Revised Child Sexual Abuse Policy and Procedures of the Diocese of La Crosse, including the Norms Governing the Diocese of La Crosse Child Sexual Abuse Review Board, effective today.

Given at La Crosse, this Fifth day of February in the year of Our Lord 2003, the Memorial of Saint Agatha, Virgin and Martyr.

2. The Diocesan Bishop shall meet with the Diocesan Attorney and may meet with others to assess initially the nature of the allegations and the appropriate response to the allegations. This initial assessment will address issues of the possible risks to the accuser and potential victims, possible risks to the accused, reporting requirements, the selection of the persons to represent the Diocesan Bishop to the accuser and the accused (see Paragraphs 7 and 8 below), and the investigative protocol.

3. The Diocesan Bishop and/or his designee shall promptly respond to the accuser/reporter, acknowledging the allegations and providing the accuser/reporter a copy of the Revised Child Sexual Abuse Policy and Procedures of the Diocese of La Crosse.

All documents and all communications with the accused shall be confidential.

9. When appropriate, the Diocesan Bishop may request a mutually-acceptable third-party assessment of the accused and/or accuser, including independent medical, psychological or other examinations at Diocesan expense, provided this does not interfere with the investigation by civil authorities. All documents and all communications shall be confidential.

10. If the Accusation is not admitted, the matter will be referred to the Diocese of La Crosse Child Sexual Abuse Review Board.

11. After the canonical preliminary investigation and the Diocese of La Crosse Child Sexual

In addition, the Diocesan Bishop shall assist the parties to achieve reconciliation. A written statement shall be made, and shall be placed and recorded in the confidential records of the Diocese. C. The Diocesan Bishop shall take reasonable immediate steps to safeguard the health, safety and welfare of the victim and others involved, and to prevent child sexual abuse from being repeated.

D. At the sole discretion of the Diocesan Bishop, when appropriate, the Diocese may make assistance available to the victim. The nature and extent of the assistance will depend upon each case. 14. In any case involving canonical penalties, the processes provided for in canon law must be observed.

15. Sexual Misconduct Procedures Also known as the "Red Book"

A Pastoral Letter to Christ's Faithful of the Diocese of La Crosse

The Most Reverend Raymond L. Burke

Bishop of La Crosse

October 18, 1997

Feast of Saint Luke, Evangelist

**On the Promulgation of
The Revised Sexual Misconduct Policy and Procedures
For the Diocese of La Crosse**

To Christ's Faithful of the Diocese of La Crosse:

Dear brothers and sisters in Christ,

The Church is our second home. Each of our individual homes is meant to be a small Church which finds its spiritual birth and growth in the larger Church, our parish. Our participation in the life of the Church is, therefore, our greatest treasure after the gift of life itself. It is sacred to us, for it unites our individual lives to God, the source of all life, and to one another, the family of God's children.

Those who serve us in the Church represent, in one way or another, our Lord Jesus Christ as He shares His divine life with us in the Church. Priests and deacons, consecrated persons and laity who serve us in the Church, also as volunteers, are therefore held to the highest standard of moral conduct. Any breach of moral conduct on their part carries an additional burden of responsibility, for it betrays the trust which the Church places in them.

Sexual misconduct, because it is a violation of a person in his or her intimate being, always inflicts a most severe wound in the victim. When the act of sexual misconduct is carried out in the context of the Church's work, the wound is even more severe, for it touches upon the victim's faith in God and in His love for us. For that reason the Church, together with society in general, has become increasingly aware of the nature and gravity of acts of sexual misconduct, and desires to address such acts committed by agents of the Church with all of the spiritual remedies at her disposal.

The revised Sexual Misconduct Policy and Procedures of the Diocese of La Crosse indicate the practical ways by which our Diocese will continue to address the situation of sexual misconduct by those who serve God's people in the name of the Church. First of all, they mandate ongoing education for all agents of the Church regarding proper conduct, especially in the delicate area of human sexuality. In the sad case of an act of sexual misconduct, they aim to do what is just for all involved: the victim, the perpetrator and the whole body of the Church. What is more, they aim to bring the love of God to those who suffer the terrible wound inflicted by acts of sexual misconduct.

I take the occasion of the promulgation of the revised Sexual Misconduct Policy and Procedures to invite all who have suffered the severe wound inflicted by sexual misconduct on the part of an agent of the Church to seek the healing and reconciliation which our Lord Jesus Christ alone can provide. The holy Gospels attest to the healing power of our Lord Jesus Christ. I invite you to place your trust in the Lord and in the grace of healing which He continues to pour out for us in the Church.

Saint Luke, who feast we celebrate today, tells us that our Lord Jesus sent forth the Twelve on their mission "to proclaim the reign of God and heal the afflicted." (Lk 9,2) Let us pray that the revised Sexual Misconduct Policy and Procedures will be a fit instrument to assist in healing the terrible affliction of sexual misconduct. Let us invoke the intercession of the Blessed Virgin Mary, Mother of the Church, to bring health and healing to all in the Church.

Invoking God's blessing upon you and your homes, I remain

Yours sincerely in Christ

(Most Rev.) Raymond Burke, *Bishop of La Crosse*

Decree

Promulgating the Revised Sexual Misconduct Policy and Procedures for the Diocese of La Crosse

The Diocese of La Crosse has had, for a number of years, a policy and procedures to respond to allegations of sexual misconduct on the part of Diocesan employees and agents. In order that the policy and procedures might respond more fully and effectively to such allegations, in the light of up-to-date knowledge in the matter and the Church's experience, it has been necessary to undertake their revision. For this reason a committee was convened and, as a result of its work, this revision of the Sexual Misconduct Policy and Procedures for the Diocese of La Crosse has been formulated.

I hereby decree that the *Revised Sexual Misconduct Policy and Procedures for the Diocese of La Crosse* is to be published and to become effective today.

Given at La Crosse this eighteenth day of October in the year of Our Lord 1997, the Feast of Saint Luke, Evangelist.

(Most Rev.) Raymond L. Burke

Bishop of La Crosse

Sr. Marlene Weisenbeck, F.S.P.A.

Chancellor
