## Eagle Excitement!

Aquinas 4th/5th grade girls

The Aquinas 4th/5th grade girls basketball team (which includes 10 girls from Blessed Sacrament) has been working extremely hard throughout the first few months of the season. The girls have an overall record of 13-4, including winning and going undefeated during the last three tournaments played at Logan, Holmen, and La Crescent. With a little over a month of the basketball season left, the girls are going to continue to give their best effort and have fun while improving and playing together as a team!

The Aquinas Gold 6th grade boys basketball team won their division at the TriState Tournament in Winona this last weekend. They went 3-0 in their bracket play.

Go Blugolds!
